## Indian News

### 1. Jharkhand Assembly to increase reservation ceiling to 77% Passage of the Bill

- ❖ In Jharkhand, a grand coalition government of Jharkhand Mukti Morcha and Congress is taking place under the leadership of Chief Minister Hemant Soran.
- ❖ The reservation ceiling in state government jobs here is currently 60 percent. It also includes 10 percent reservation for economically backward classes.
- ❖ In this case, a special session of the Jharkhand Legislative Assembly was held. In this, the Jharkhand Government Job Vacancies and **Jobs Amendment Bill-2022** to raise the **reservation ceiling to 77 percent** was passed.
- ❖ It is stated in the bill that after the inclusion of this amendment in the 9th Schedule of the Constitution, the increase in reservation will come into effect. Therefore, the central government has been urged to include this amendment in the 9th schedule.
- ❖ As per the bill passed now, reservation for tribals will increase from 26 to 28 percent.
- ❖ The existing 10 percent reservation for backward classes will be increased to 12 percent. Most backward classes and other backward classes will get 15 and 12 percent reservation respectively.

### 2. India-US Financial Cooperation Council

- ❖ The **9th meeting of India-US Financial Cooperation Committee** was held in Delhi. US Treasury Secretary Janet Yellen has come to India to attend it.
- ❖ In a joint statement released after the meeting, the meeting discussed raising funds to tackle climate change.
- ❖ A target has been set to raise around Rs.8 lakh crore annually till 2025 to tackle climate change.
- ❖ It is also committed to help developing countries with that fund.

### 3. Chennai-Mysore Vande Bharat Express train service

- ❖ Prime Minister Narendra Modi inaugurated **South India's first Vande Bharat Express** train service between Chennai and Mysore in Bangalore.
- ❖ PM Modi inaugurated the Chennai-Mysore Vande Bharat train service at Kranti Veerasangolli Rayanna Railway Station.
- ❖ This is the **5th Vande Bharat Express train** service to be launched in India.
- ❖ India's first Vande Bharat Express train service was launched in **2019** between New Delhi, Kanpur, Allahabad and Varanasi.
- ❖ Vande Bharat Express is designed and manufactured entirely based on indigenous technology.

- ❖ Also, collision avoidance technology between trains has been used. This train goes from zero to 100 kmph in 52 seconds. Travel at speed. Maximum speed is 180 kmph. Capable of speed.
- ❖ **Kashi Darshanam Scheme:**
  - ✓ Meanwhile, Prime Minister Modi inaugurated the '**Bharat Gaurav Kashi Darshanam**' train service operated by the Karnataka Hindu Charity Department as per the Bharat Gaurav Train policy of the Indian Railways. This train is operated at a concessional fare for 8-day Khasi Yatra.
  - ✓ Government of Karnataka provides Rs. 5000 as scholarship.

#### 4. Inauguration of 108 feet tall Kempe Gowda statue

- ❖ Prime Minister Modi inaugurated the **108-feet bronze statue** of Kempe Gowda Park at the Kempe Gowda International Airport complex in Devanahalli.
- ❖ The statue of Kempe Gowda known as the 'Statue of Prosperity' weighs 218 tonnes. The statue is made of 98 tons of bronze and 120 tons of steel.
- ❖ Kempe Gowda's sword weighs 4 tons.
- ❖ Kempe Gowda Park has been constructed around this statue on 23 acres of land at a cost of Rs.84 crore.
- ❖ **Terminal 2:**
  - ✓ Earlier, Prime Minister Modi inaugurated the newly constructed Terminal 2 at Kempegowda International Airport located at Devanahalli, Bengaluru.
  - ✓ Rs. 5,000 crore '**Eco-Friendly Terminal**' is constructed entirely of bamboo.
  - ✓ The new terminal is named 'A Terminal in the Park'.
- ❖ The hanging gardens set up at this terminal are a sight to behold.
- ❖ Before entering the airport, there is a 10,000 square meter green wall to pass through.

### World news

#### 1. Peak international carbon emissions

- ❖ International carbon dioxide emissions will reach **4,060 tonnes in 2022**, according to the UN. The thesis warns.
- ❖ This is slightly lower than the peak of 4,090 tonnes recorded in 2019.
- ❖ UN As the 27th Climate Conference is being held in Egypt, the results of the paper '**International Carbon Budget**' have been published.
- ❖ In the report, 'current international carbon dioxide emissions are projected to be 4,060 tonnes.
- ❖ If carbon emissions continue at the same rate, there is a 50 percent chance that Earth's temperature will reach 1.5 degrees Celsius above pre-industrial levels within 9 years.

- ❖ **China (31 percent), United States (14 percent) and European Union (8 percent)** are leading the global carbon emissions in 2021.
- ❖ India emits 7 percent carbon dioxide. Carbon dioxide emissions are projected to fall by 0.9 percent in China and 0.8 percent in the European Union this year.
- ❖ However, it is predicted to increase by 1.5 percent in the US, 6 percent in India and 1.7 percent internationally.

### Economic news

#### **1. Indian economic growth will slow down to 7**

- ❖ India's economy will grow by only **7 percent this year according to Moody's**.
- ❖ Due to the international environment, the company has now reduced its earlier estimate of 7.7 percent.
- ❖ In the report released by the company, India's gross domestic product (GDP) growth forecast for 2022 has been reduced from 7.7 percent to 7 percent.
- ❖ In the last year 2021, the Indian economy has seen a growth of 8.5 percent. Economic growth is projected to be 4.8 percent in 2023 and 6.4 percent in 2024.
- ❖ The Reserve Bank of India (RBI) is likely to hike interest rates by another 0.5 percent to curb inflation and boost foreign exchange reserves.
- ❖ It is noteworthy that the World Bank has reduced India's economic growth forecast **from 7.5 percent to 6.5 percent, the International Monetary Fund (IMF) from 7.4 percent to 6.8 percent, and the Asian Development Bank from 7.5 percent to 7 percent.**
